We have had minor problems on the Golf course in the past, please remind your athletes to stay off the greens as well as the sand bunkers. Thanks

The map is attached below, please note it is now two loops 1.5 miles a loop. Coaches have complained about the sharp turns in the past so this year I am attempting this approach. The junior high will run one lap and the high school will complete two loops. The start and finish are where they have been in the past. Maps will be available at packet pick up as well.
