COVID-19 Precautions:

- Masks must be worn by all athletes and spectators at all times, except when competing or actively eating. Even though the statewide mask mandate ends on April 10th, a mask mandate still applies to events with more than 50 people in addition to school events.
- Please social distance between teams and discourage interaction between members of different teams.
- Please maintain proper hand hygiene throughout the day, using sanitizer when possible. Hand sanitizer will be available at all of the field events in addition to the finish line.
- Tickets will be limited so encourage spectators to buy their tickets early

Additional Information:

- The 4 x 200 meter relay will be run with a 2 turn stagger
- Due to state regulations and COVID precautions, spectators will not be allowed in the competition area for pole vault. Spectators can watch the event either from the north side of the stands next to the pole vault competition area or on the sidewalk outside the chain-link fence next to the pole vault competition area.
- In order to run as efficient a meet as possible, we would like competitors to sign up for the events that are held at your school's respective state region competition. Due to this, 1A, 2A, and 3A schools can sign up for the medley relay but will not be allowed to compete in the 4 x 200 meter relay nor the 4 x 800 meter relay. Additionally 4A, 5A, and 6A will be allowed to sign up for the 4 x 200 meter relay and the 4 x 800 meter relay but will not be allowed to compete in the Medley Relay. If you sign up for a relay that you are not allowed to participate in, your relay team will be scratched.
- Food will be available at the concessions stand
